

# CINEPAR 4KW (Ref : 286P)

The CINEPAR 4KW is extremely compact.

Its many applications include background lighting for wide night shots, projections of light beams through building windows, powerfull long through fill, light-weight crane mounting and much more

The CINEPAR 4KW can be focused through a set of 300mm lenses as well as through bulb movement

It is compatible with 4KW magnetic ballast or 2,5/4KW electronic ballast w/PFC
